

2021 SPONSORSHIP OPPORTUNITIES

Behind The Faces

Since 1997, Mission of Mercy Arizona has been providing free primary healthcare and prescription medications to the uninsured and underinsured in Maricopa County. Our focus remains on **restoring dignity, empowering patients and strengthening the community**. As an independent 501c3 nonprofit, MOM relies on generous contributions from private individuals and businesses to support our mission and enable our valuable medical volunteers to provide services to anyone who needs our help at no charge.

THE NEED:

- Uninsured patients go to the doctor 60% less and receive half the medications than people with insurance
- 93% of MOM patients experience one or more chronic health condition like hypertension or diabetes
- 84% of patients claim a MOM clinic as their medical home

OUR IMPACT:

- 12,576 medical visits completed for 2,085 patients
- 8,045 pro bono hours donated by 95 volunteer medical practitioners
- 45,141 free prescription medications dispensed
- 1,400 bags of fresh produce provided to food insecure patients
- 6 clinic locations in underserved communities

SPONSORSHIP OPPORTUNITIES:

Mission of Mercy is pleased to present sponsorship opportunities for the 2021 Fall season to gratefully honor its supporters and welcome new friends during a series of regional fundraising events spanning the East Valley to Old Town Scottsdale to the West Valley. Every \$1,000 that is provided through sponsorships is matched by \$1,750 in donated services to Mission of Mercy patients.

Sean McLaughlin, news anchor for 3TV/CBS 5 News, will emcee our Scottsdale fall event and our virtual breakfast once again to share more about Mission of Mercy's mission to "Heal through Love" and care for vulnerable Arizonans by providing free healthcare delivered with compassion and respect.
